

## **COMMUNIQUÉ**

LTC. lecturer Alin Bodescu, PhD within the Crisis Management and Multinational Operations College participates this April, 02 to 04 in a planning session organized by the Great Black Sea Area Working Group of the PfP Consortium of the Defence Academies and Security Studies Institutes on the initiative of the Mobile Contact Team Project. The activity is taking place in Brussels (Belgium) and it aims to set up the coordinates necessary for the establishment of the Mobile Contact Team on civil emergencies planning and consequences management.
