

## COMMUNIQUÉ

On 19-24 April 2009, Colonel Ioan Roceanu PhD, director of the Advanced Distributed Learning Department of „Carol I” National Defence University, will take part in the *Spring Session of the NATO Allied Command for Transformation* that will be held in Hamburg, Germany.

The event is an excellent opportunity for an experience exchange and acquisition of knowledge in view of the standardization and development of digital content destined for the training of military personnel participating in multinational operations and the development of informational support through knowledge portals.

Carol I” National Defence University, through the Advanced Distributed Learning Department, offers knowledge in accordance NATO and EU standards and in the spirit of the Bologna Treaty *anywhere* and *anytime*.
