

On 11 – 17 May 2009, LTC Alin Bodescu PhD from the Crisis Management and Multinational Operations College of “Carol I” National Defense University will participate in the „PfP Defence Institution Building” seminar that will be organized in Sofia, Bulgaria.

This activity is organized within the Mobile Contact Teams project and is part of the area of interest of the Working Group for Regional Stability in the Extended Black Sea Area from the PfP Consortium of Defense Academies and Security Studies Institutes.

The aim of the seminar is to establish a group of experts with international recognition in the Black Sea area, able to understand aspects characteristic for defense institution building with an impact in this region.

“Carol I” National Defense University coordinates one of the four modules of the project developed by the working group of the PfP Consortium on regional stability issues in the Extended Black Sea Area.

The participation of “Carol I” National Defense University in this event brings an important contribution to the development of the necessary expertise to organize the Seminar on planning for civil emergencies and management of consequences that will be held in Azerbaijan in September 2009.
